Supporting art in the community, working with the schools and with artists

December 2009 NEWSLETTER

Message from the President:

Merry Christmas and Happy Holidays! It is a busy time for us all as we celebrate with our family and friends. I hope that our yearly party, Saturday, December 08, will be part of your holiday plans. This month will be my last month as your President. It has been an active two years, representing PAA and sharing your dreams for the organization. I think that moving our meeting site to the Petaluma Art Center was a positive change for us and we are still adjusting to the new location.

We have had 2 successful Art in the Park and Library Shows and I have worked with many dedicated members, who have willingly given hours of volunteer time to put up shows, prepare newsletters, worked on our web site, schedule meeting programs and help setup meetings and refreshments. I appreciate your support and working with members who volunteered for the Board positions and served as Treasurer, Vice President and the Secretary. I also want to thank Elaine Larson for volunteering to serve as Treasurer starting next year. Now we need a volunteer to serve as President!

This past year we have been working with an attorney to get in a position to re-file for non-profit status and it looks like we might be successful in this endeavor and I would like to continue serving to complete this project along with Karen West and her husband, Marshall. I have also noted that I would be willing to serve as liason to interface with the newsletter and the web site projects.

This organization is all volunteers and we want and need you to take part in our activities, venues and various committees to keep PAA running smoothly. **PAA is your club, and provides you with venues to show and sell your art work and support art programs in the schools of Petaluma.**

At our January 16 meeting from 11 AM to 3PM, we will be setting goals for the coming year, and you will have an opportunity to voice your opinion and sign up for various committees. So don't miss it! The meeting will be at the United Church of Christ, Fellowship Hall, 825 Middlefield Dr. (our previous meeting location)

If you have suggestions that you think would be beneficial to our group or goals, please let us know by providing a written suggestion to one of our Board members or send an e-mail to paaboard@petalumaarts.org or better yet come to the meetings.

Darold

2010 Library Show

Tracy Bigelow Grisman and her committee for the Spring Art Show at the Library met and has started making plans for our annual show in March. If you are interested in being part of the planning , the next meeting for the committee will be December 16, 1 to 2, at the Petaluma Library.

Congratulations to Us!

Although our bank balance was not as good and we would have liked, we were able to approve Grants to the following schools, Santa Rosa Junior College (Scholarships), Petaluma High School, Grant School and Miwok Elementary School.

Program Notes

Susan Adams presented our program in November. Susan, a former member of PAA and a popular artist and teacher demonstrated painting a still life in watercolor. It is always a magic time to watch a painting come to life as colors are applied directly, with confidence.

From Vangie, The pleasure we, the artists, and the community have had in Petaluma's Old Opera House must end. February, 2010 would have been four years since we moved here. We think of our time here as a stepping stone to what we have yet to create. Our glass business is the only full service stained glass business in Sonoma County. I, Vangie, will continue as personal agent for most of our resident artists and will maintain an online gallery of their works and other consignments of fine art. We will have a new cyberspace operating in early 2010. Aurora Colors has a lot of large furniture and will be posting it for sale soon.
